MAKE YOUR OWN MAGIC CRYSTAL

STEP 1 **Score** along the dashed lines

This makes folding easier.

STEP 2 **Cut** along the solid lines

Be careful and precise.

STEP 3 **Colour** the back side of the shape

This prevents print lines from showing after assembly.

STEP 4 **Fold** along the dashed lines

Crease firmly for clean edges.

STEP 5 **Attach** the matching numbers using any adhesive

Ensure the print lines are on the inside of the gem.
